

Michèle Aké

Associate

Luxembourg

Biography

Michèle assists asset managers (including investment funds) active in all investment areas such as private equity, real estate, infrastructure, etc., high net worth individuals, financial institutions, and international corporates on tax matters.

After her law studies in France, Michèle worked for several years in the tax department of law firms, Big fours, and global financial institution (in-house position) in Paris and Luxembourg where she gained experience in domestic and international tax planning, private equity, financial transactions, including advising high net worth individuals.

Accolades

"It is a reactive and pragmatic team."

Legal 500, 2025

"The team collaborates effectively and consults other experts as needed, ensuring comprehensive guidance."

Legal 500, 2025

"The team excels at explaining complex topics in clear, accessible language—a skill we value greatly as non-lawyers."
