

Alex Wong

Office Managing Partner
Singapore

Biography

With two decades worth of experience in Singapore and the Asia Pacific, Singapore Office Managing Partner, Alex Wong is highly regarded as a leading energy, infrastructure and construction practitioner in the region. He is widely praised for his responsiveness, work-ethic and in-depth knowledge of energy and infrastructure transactions across the Asia-Pacific.

Alex leads a number of sustainability and environmental initiatives from Singapore and is particularly well known for his work in the water and renewable energy sectors. He brings a cross-cultural understanding to working the most complex deals in the region including offshore wind in Taiwan, renewables and LNG-to-power in Vietnam, and water and floating solar projects in Singapore.

Alex is a former chairman of the Society of Construction Law (Singapore) and has been appointed as senior accredited specialist for construction by the Singapore Academy of Law – the only transactional lawyer appointed.
