

## Dr. Alexander Stefan Rieger

Partner

Frankfurt

### Biography

Alexander Stefan Rieger is recognized for advising clients on complex mergers and acquisitions as well as joint ventures in the infrastructure and energy sector.

His clients include infrastructure funds, pension funds, insurances, private equity investors, project developers and corporates from around the globe.

Stefan has managed numerous high profile transactions in a range of sectors, including digital infrastructure, transportation, (renewable) energy, gas and industrial parks.

What Stefan does best: understanding complex business issues and translating them into legal or commercial solutions. In advising his clients, he emphasizes practicality, striving to achieve the client's business objectives.

Legal 500 Germany ranks him in 2022 as one of eight leading partners of the next generation for M&A (Mid-Cap). The JUVE Handbook 2021/2022 also lists him as „frequently recommended“ for M&A.

### Representative experience

Versicherungskammer Group on the successful EUR 720m acquisition of Ferngas Group.

UBS Asset Management on its first successful infrastructure equity investment in Germany, the acquisition of FttH business LüneCom
