

## Anna Theresa Vogel

Associate

Berlin

### Biography

Anna Theresa Vogel advises you on all aspects related to data protection inter alia in strategic GDPR projects and on GDPR compliance. She also represents you in proceedings before the data protection authorities.

Anna supports her clients in matters concerning European and German data protection laws such as the development of privacy notices, the drafting and negotiation of data processing agreements and website compliance.

After studying law at the University of Potsdam with an emphasis on International Law, Anna completed her legal traineeship at the Higher Regional Court of Berlin. During this time she inter alia gained experience in constitutional law working at the German Ministry of Finance.
