

Plant and Equipment Financing

Raising finance for equipment is vital for our clients' business success.

Our team has extensive experience advising banks, equipment manufacturers, infrastructure developers, equity investors, lessors, lessees, and governments on the leasing, acquisition, and disposal of significant equipment and equipment portfolios. This includes cables, telecommunications and IT equipment, water equipment, and industrial plant and machinery.

Representative experience

Advised DCC (Welsh Water) in connection with various lease facilities entered into with RBS, Lombard, Sovereign, Bayerische Landesbank, HSBC, Alliance & Leicester, and Lloyds.

Advised DCC, Anglian Water, Southern Water, South Eastern Water, and Yorkshire Water in connection with their respective water business securitization.

Advised a Middle Eastern fund on the acquisition and financing of various heavy lift vessels and chemical tankers.

Advised IDI and ORCA Development on the financing of ORCA's acquisition of FAIT PLAST S.p.A (the leading European manufacturer of technical thermoplastic films).
