

Raising Equity Capital

Global capital markets are more interconnected, complex, and dynamic than ever. With a global team of more than 100 lawyers, we'll help you decide on the best transaction structure to meet your objectives. We've worked on transformational deals. Industry game-changers.

We advise the full range of industry participants, giving us key insights into issues from all sides of the deal table.

Are you based in the United States, or thinking about heading to the U.S.? We've got a deep understanding of how the Securities and Exchange Commission works.

We'll help during the life-changing process of going public. And will also help you raise further funds through follow-on equity offerings.
