

## Real Estate Funds

As an investor in real estate, you weigh risk and flexibility. You watch global markets. You seek the precise structure and deal terms you need to succeed. The real estate fund lawyers at Hogan Lovells help investment fund sponsors, investors, and other clients. We advise on structure and formation. REITs. Tax. Planning. Management. Financing. Securities. ERISA issues.

Our multidisciplinary team helps fund clients navigate real estate asset acquisitions and dispositions. The purchase and sale of properties. Real estate funds have global needs. With our team behind you, the right strategy and the right implementation can be a reality — no matter where you invest.

### Representative experience

We advised Threadneedle Property Investments on the launch of Low Carbon Workplace Fund, a novel green real estate fund.

Advised BlackRock Investment Management on ground-breaking merger between BlackRock UK Property Fund and RREEF's UK Property Funds to create the UK's largest property unit trust.

We advised the JBG Companies in a US\$600m formation of a private real estate investment fund (Fund VI).
