

Trade Legislation, Policy, and Negotiations

To thrive in global commerce, you must try to predict and shape policy and negotiation outcomes. Engage legislators. Make sure your priorities are addressed in trade negotiations.

We counsel on international trade policy and negotiations, including TPP, TTIP, Brexit, TiSA, FTAs, WTO, and others.

Assemble and represent coalitions of clients with similar interests. Coalition for Privacy and Free Trade. Reform of U.S. policies.

Our team includes a former USTR General Counsel. A former EU Ambassador to Washington. And, a former member of the Legislative Affairs Commission of the Chinese National People's Congress.

We're in Brussels. London. Washington. Beijing. In every major trade negotiation and agreement in the U.S., EU, Asia, and Latin America.

Together, we shape trade policy so you can thrive.

Representative experience

Advised a leading U.S. insurance company during U.S.-Japan confidence-building negotiations when Japan joined TPP and secured important commitments regarding level playing field.
