

Alfredo Barona

Partner
Madrid

Biography

Banking and finance partner Alfredo Barona has a strong track record in this sector. His practice covers many areas within the banking and finance sector, such as corporate finance, asset finance, project finance, real estate finance, and restructurings.

In recent years, Alfredo has led some of the major deals in the Spanish financial sector. He has been recognized as a leading individual in his field by industry commentators and legal directories such as *Chambers Europe* (in two categories: Banking and Finance, and Project Finance) and *Who's Who Legal* (Project Finance).

Alfredo teaches Masters in International Law at ISDE (Instituto Superior de Derecho y Economía).
