

Alex Brightman

Senior Associate

London

Biography

Alex is a senior associate in the firm's Infrastructure, Energy, Resources and Projects practice based in London. Alex is a construction law specialist with experience of undertaking both contentious and non-contentious work in the UK and the Middle East. He has advised public and private sector clients extensively on different project delivery methods (including Design-Build, PPP, PFI and BOT among others), and preparing and negotiating standard form (including FIDIC, NEC3 and JCT) and bespoke construction agreements on major energy, infrastructure, transportation and mixed-use commercial projects.

Representative experience

Advising ProjectCo on the development of a process plant and associated infrastructure for production of sugar, potable ethanol and power in Sri Lanka.

Advising on high value construction of a methanol plant and associated infrastructure in Russia, including preparation of EPC Contract.

Advising a developer in relation to the construction and financing of a solar PV project in Malawi, including negotiation of the EPC Contract and ancillary agreements.

Advising lenders on the EPC Contract and related project agreements for the construction of a pipeline and floating storage and offloading unit in Nigeria.
