

Claudia Lecking

Senior Associate

Dusseldorf

Biography

Claudia Lecking can help you in national and cross-border disputes in and out of court. Her advice covers enforcement proceedings as well. She brings experience in multi-jurisdictional commercial disputes and further advises state and local government authorities and public-sector companies in disputes involving civil law and civil procedural law. Claudia spent her childhood and school years in Germany, Belgium and the U.S. She studied law at the University of Bonn and worked for seven years at the Institute for Civil Procedure, most recently as academic assistant.

She served her two-year legal traineeship (Referendariat) at the Higher Regional Court of Cologne and worked, inter alia, for the dispute resolution teams of an international law firm in Cologne and Dusseldorf. Claudia works part-time and is doing her doctoral thesis on enforcement proceedings. She has published several articles on procedural law matters and arbitration.
