

## Alejandro Diener

Associate

Mexico City

### Biography

As an associate in an ever-changing and complex practice as tax, Alejandro Diener provides practical and effective advice to his clients on international tax planning, estate planning, tax consequences of mergers and acquisitions, joint ventures, spinoffs and reorganizations, and money laundering prevention.

Alejandro's advice always seeks to take into account the importance, not only of the tax aspect of such transactions, but also offers efficient and viable alternatives from a commercial and legal perspective.

In the spirit of always giving back to the community, Alejandro supports non-profit organizations with strategic legal and tax advice to help them in their growth and development.

### Representative experience

Advisor to various clients on the implications and prevention of money laundering in their business.

Strategic tax planning for high net worth individuals.

Advise multinational hotel groups on investments in the Mexican Caribbean and the coast of Nayarit.

Advising on the acquisition of a group of companies engaged in the sale of construction products.

Advisor to several foreign clients to start businesses in Mexico.
