

## Dr. Dominik Lang

Senior Associate

Munich

### Biography

Dr. Dominik Lang focuses on national and international companies on the negotiation and implementation of M&A transactions of all types. He also advises on joint ventures, reorganizations and general corporate law issues.

Dominik graduated in law from the University of Bayreuth. He already deepened his knowledge of M&A and corporate law when he worked for us in the Corporate/M&A practice group during his legal traineeship and while working on his PhD thesis on a corporate law topic focusing on family businesses.

### Representative experience

YourNow Holding, the joint mobility venture of BMW Group and Mercedes-Benz Mobility, on the sale of its car sharing subsidiary "Share Now" to French-Italian car group Stellantis.

French industrial group Saint-Gobain and its Ceramics business unit on the acquisition of US refractory producer Monofrax, LLC from the German private equity fund Callista.

Daimler on its global IT carve-out to Infosys.

US technology company PTC, Inc. on negotiating an agreement for the acquisition of intellectual property and trademarks of the German augmented reality (AR) start-up RE'FLEKT.
