

Franck Dupret

Senior Associate

Paris

Biography

Franck Dupret is a senior associate in the firm's Paris office and a member of the Financial Institutions Group within the Corporate practice. He provides corporate and regulatory advice to financial services and insurance industry clients.

Franck advises French and foreign financial institutions (banks, e-money and payment institutions, investment services providers, insurers/reinsurers and other regulated entities across the financial and insurance services industry) on domestic and cross-border mergers and acquisitions. His practice extends to non-transactional financial services and insurance advice to these institutions on a wide range of legal and regulatory issues relating to their operations in France.

Representative experience

Advising a French financial company member of a leading automotive group on a global reorganisation of the financial services entities of this group in line with CRD IV package.

Advising a leading French factoring company on the amalgamation (through a cross-border merger) of various EU financial services affiliates (including on a wide range of banking regulatory issues).

Advising one of the world leading insurance groups on the reorganisation of its reinsurance activities in France by means of a merger and its impact on all its activities worldwide.
