

Mauricio Fuchs Tarlovsky

Counsel

Mexico City

Biography

Mauricio Fuchs is a legal adviser for Mexican and foreign companies dealing with corporate affairs, mergers and acquisitions, restructuring, energy and infrastructure transactions, structured financing, asset financing (vessels and aircrafts), and real estate.

Prior to joining Hogan Lovells, Mauricio worked in the Mexico City office of another global law firm, where he participated in a number of cross-border transactions involving, among other matters, ship and aircraft financing, infrastructure projects, real estate developments, project financing, and restructuring and financing of projects related to the energy sector.

Mauricio has participated in the structuring, drafting and negotiation of engineering, procurement and construction agreements (EPC's), operation and maintenance agreements (O&M), framework agreements, management agreements and joint venture agreements for construction of infrastructure projects and Private Public Partnerships (PPPs).

He has represented national and international clients in the bidding procedures carried out by different Mexican authorities, such as CFE, CNH and PEMEX.

Representative experience

Drafting and negotiation of area of mutual interest agreements (AMI), joint bidding agreements (JBA), and joint operating agreements (JOA).

Structuring, drafting, and negotiation of integrated
