

Salvatore Graziadei

Counsel

Milan

Biography

Salvatore Graziadei is an Italian qualified lawyer who regularly advises leading Italian and international banks, financial institutions acting as servicer, arranger, lead manager or originator in the context of securitization transactions (including SMEs, RMBS, CBO, multi-originator transactions, revolving transactions and warehouses on public and private assets). In addition, Salvatore assists fintech platforms in securitization transactions, having participated in the structuring of the first securitization transaction carried out by a fintech platform.

Salvatore has gained significant experience in banking and finance transactions involving issuance of bond, mini-bond and financing in the context of which he regularly assists issuer, investors and security agents.
