

## Tamás Halmos

Senior Associate

Budapest

### Biography

With broad knowledge in commercial litigation, Tamás Halmos represents clients in a variety of disputes before regular courts, arbitration and alternative dispute resolution forums. He also provides corporate, real estate and regulatory advice to clients in particular in the insurance and telco fields, as well as in the areas of public procurement and the law of contract.

Tamás' client focused and practical approach enables him to provide targeted and effective advice tailored to clients' needs.
