

## Alistair Handy

Senior Associate

London

### Biography

Alistair Handy is a senior associate in our Finance Group at Hogan Lovells. His practice focuses on leveraged and acquisition finance. He has extensive experience advising banks, debt funds and borrowers on a wide range of financings, including senior, unitranche/super senior arrangements on acquisitions as well as refinancings.

A secondment to our Sydney office allowed him to work with lawyers across our international network.

### Representative experience

Advising HSBC and Barings in relation to the provision of facilities backing the acquisition of technology business IMD by Inflexion.

Advising HNA Group on its circa €1.5bn debt and equity financing relating to its acquisition of Swissport.

Acting for Swissport Financing S.à r.l. in connection with the refinancing of its €460M TLB, CHF110M RCF and Exchange Offer for existing SUN and SSNs.

Advising Tanarra Credit Partners in relation to the provision of facilities backing the acquisition of isek communications by Next Capital

Advising Ares Management in relation to the financing of VetPartners
