

Ambia Harper

Knowledge Lawyer
Washington, D.C.

Biography

Ambia Harper is a knowledge lawyer in our Global Regulatory practice group, focusing on the Communications, Internet, and Media and Privacy and Cybersecurity practice areas.

Ambia provides value-added services to clients through thought leadership pieces, client alerts, newsletters, presentations, and continuing education programs. She collaborates with associates and partners to research and draft engaging content for internal platforms, as well as general news and trade publications. She also supports the group's business development and marketing efforts.

Ambia knows the firm well; at the beginning of her legal career, she was an associate in our Education group.
