

## Dr. Jessica Goetsch (Hedaiat-Rad)

Counsel  
Munich

### Biography

Jessica Goetsch focuses on commercial, corporate and insolvency litigation. Jessica has a profound understanding of the legal needs of the automotive industry and regularly advises clients on supply chain cases. Clients rely on her comprehensive overview of their industry as well as her ability of handling complex cases efficiently. Her experience in the areas of insolvency and supply chain disputes, as well as her ability to translate complex cases into straightforward stories, make her an asset to her team.

Jessica studied law at the universities of Passau and Munich. Before qualifying as a lawyer in 2014, Jessica completed her legal clerkship at the Higher Regional Court in Munich. While clerking for a leading South African law firm, she broadened her experience by adding international commercial and contractual law to her knowledge database.

### Representative experience

Representing a leading automotive-OEM in a damage claim against an automotive supplier regarding defective parts.

Representing a major German automotive-OEM in interim proceedings against an automotive supplier threatening to stop delivery.

Advising an international automotive first tier supplier in a damage claim against a second tier supplier
