

Johannes Rothmund

Counsel
Frankfurt

Biography

Johannes Rothmund has worked for both banks and law firms, and thus has gained an inside view on legal issues from a bank's perspective as well. During the various steps of his career, he has obtained knowledge of a wide range of debt capital markets and asset based finance products.

He advises clients on German and international asset securitisations and other structured finance transactions. He focuses on all legal aspects of debt capital markets products including derivatives, and asset backed as well as other debt issuance programmes. During his former career, he also gained experience in loans and other banking products which helps him finding bespoke solutions to structural needs in complex transactions.
