

Mochamad Kasmali

Partner
Jakarta

Biography

Mochamad Kasmali (Kasmali) is an accomplished lawyer in the energy and resources sector, with a wealth of experience and knowledge in mining, oil & gas, power, environmental, forestry, land, and employment matters. Kasmali has established and longstanding relationships with clients in Indonesia and Southeast Asia and a well developed network of contacts in the energy and resources industry, including with industry players and government officials.

Kasmali's main areas of practice includes energy & natural resources – M&A and regulatory requirements relating to business licence, forestry and environmental matters, real estate development – land due diligence, M&A and JVA in the sector, and construction related matters, general corporate, including FDI, M&A and employment.

Before joining Hogan Lovells, Kasmali was the Managing Partner of one of the leading law firms in Jakarta. Kasmali also worked at Newmont Indonesian subsidiary companies as Senior Corporate Counsel for almost 10 years. He gained considerable commercial experience and technical expertise involved in day-to-day mining operations, environmental and forestry issues, and employment matters.

Representative experience
