

Kevin O'Connor

Senior Associate

London

Biography

Kevin O'Connor is a member of the firm's Energy, Natural Resources and Infrastructure Group and specialises in environmental, health and safety issues.

He has extensive experience advising on environmental, health and safety issues in the context of corporate, real estate and finance transactions and projects. He advises on a range of contamination, air emissions, climate change, carbon trading, energy efficiency and chemicals regulation, and also on corporate transparency and disclosures and supply chain controls. He also advises on regulatory investigations and contentious matters.

He is the contributing editor of the Chambers Global Practice Environmental Law Guide.

Representative experience

Equinor SA on the environmental aspects of the sale of its interest in the Teesside Oil Terminal and Processing Facility to Total. Eni and Conoco Phillips.

Brookfield on the environmental aspects of its acquisition of Greenergy, including its interest that owns Thames Oilport and Thames Enterprise Park.

Asahi on the environmental aspects of its acquisition of the beer business of Fuller, Smith & Turner.

SABMiller on the environmental aspects of its acquisition of Meantime Brewing.
