

## Gábor Kószó

Senior Associate

Budapest

### Biography

As a Senior Associate in the Budapest office, Gábor Kószó has a broad range of experience in banking and financing, acting both for borrowers and lenders, including secured and unsecured lending, bilateral and syndicated loans, senior and mezzanine loans, subordinated debt and intercreditor issues. He also has significant experience in M&A transactions, restructuring and special situations matters and media law.

Gábor has extensive knowledge of the law relevant to a wide range of financing and corporate transactions, and he applies that knowledge flexibly to give clients the practical solutions they are looking for with appropriate legal protection. Clients appreciate his pragmatism and friendly approachable style.
