

Cheryl Bracha Milevsky

Associate

Washington, D.C.

Biography

Cheryl specializes in intellectual property law, including patent litigation, trademark litigation, and patent prosecution. With a strong foundation in computer science, Cheryl brings a unique blend of technical expertise and legal acumen to the table.

Cheryl actively engages with diverse technologies, ranging from 3D NAND flash memory to spacecraft components to machine learning algorithms. As a member of Hogan's IP team, Cheryl provides clear analysis of patent infringement and invalidity issues, conducts legal research, and offers litigation support.
