

Daniel Muñoz-Delgado Dedeu

Junior Associate
Madrid

Biography

Daniel Muñoz-Delgado is an Associate in our Intellectual Property, Media and Technology practice in the Madrid office. He focuses in the enforcement and litigation of IP rights, particularly in the field of patents, trademarks, copyright and unfair competition. Daniel currently advises both national and international clients with a particular focus in the Life Sciences and Technology and Telecommunications industries.

He is known for his dedication, enthusiasm, hard work and commitment in all the matters he handles.

Daniel is involved in a wide range of multi-jurisdictional litigation matters. In particular, he deals with IP complex disputes before the Spanish Commercial Courts and the European Union Trademark and Design Court.

Prior to joining Hogan Lovells in 2019, he worked as an intern in an IP boutique in Barcelona.

Representative experience

Representing a leading international industrial services provider in patent infringement proceedings launched by a competitor before the Bilbao courts.

Advising and representing a multinational smartphones manufacturer in patent litigation proceedings launched by an NPE, including preliminary injunction
