

Stevan R.B. Nicholas

Counsel

New York

Biography

Stevan Nicholas utilizes his unique perspective – honed through years of experience working with domestic and international clients – to deliver reliable, timely, and creative legal guidance on complex issues.

He focuses on advising lenders, asset managers, and financial entities in relation to a variety of matters, including leveraged loan investments, collateralized loan obligations (CLOs), LIBOR transition matters, and mezzanine, unitranche, multitranche, preferred stock, and other complex financings.

Stevan is also the founder and former CEO of Asembl Corporation, a technology company focused on interactive online performance.
