### Biography

Patrick Ayad runs your business from a legal perspective. He is a global leading practitioner on international contract drafting, procurement, and distribution, as well as an experienced regulatory advisor. Within more than 20 years he has gained considerable knowledge of commercial and regulatory matters, advising global companies, particularly in the industrial and consumer goods industry sectors.

Patrick designs, reviews and negotiates your commercial contracts of all kinds. He is highly recommended for legal advice and representation of companies in the areas of international contract drafting, purchasing and sales, distribution, cooperation, research and development and licensing. In addition, he often advises in the context of corporate transactions. Patrick Ayad is an experienced speaker and publishes regularly.

Patrick leads the global sector group Mobility and Transportation at Hogan Lovells and is also the global leader of the practice area Strategic Operations, Agreements and Regulation (SOAR).

According to recent sources, "top-notch lawyer" Patrick Ayad has a strong standing in the market for his "extensive expertise in global commercial contracts mandates" (Chambers Europe, 2019). Clients praise his "proactive, innovative approach to advice" (Chambers
