

## Peter R. Maier

Partner

Frankfurt

### Biography

Peter Maier focuses on retail structured products (certificates, leveraged products and notes) linked to many different asset classes where he has extensive transaction experience. Peter also advises clients on regulatory issues in connection with the distribution of structured products (e.g. PRIIPs KIDs), debt issuance programs and other types of derivatives.

Prior to joining Hogan Lovells, Peter worked for other leading international law firms and he was on a six months secondment with a leading global investment bank in London.

### Representative experience

Ongoing advice of a leading international investment bank in connection with issuance of structured products (certificates, notes, leverage products).\*

Advising national and international banks with respect to the establishment of pan-European issuance platforms.\*

Advising banks in connection with issuances of notes under debt issuance programs.\*

Advising several banks in relation to regulatory issues in connection with the distribution of structured products (inter alia preparation of PRIIPs KIDs and product information sheets, review of marketing material, review of websites).\*

\*Matter handled prior to joining Hogan Lovells.
