

## Ollie Phillips

Associate

London

### Biography

As an associate in the Investment Funds team of our London office, Ollie has experience advising fund managers and investors across a range of alternative asset classes, including private equity, venture capital, infrastructure, real estate, debt and hedge funds.

In addition to acting for asset managers and issuers on the formation, raising and on-going operation of their funds (both private and listed), Ollie represents fund of funds and major institutional investors on their global investment programmes.

Ollie also acts for both general partners and investors on secondaries, co-investments and GP-led restructurings.

### Representative experience

Advising a leading UK institutional investor on the secondary sale of over 40 private equity fund interests to five different buyers

Acting for a national development finance institution on its cornerstone investments in various private equity and venture capital investments

Representing Pantheon Ventures on several primary, co-investment and secondary transactions

Acting for major institutional investors on primary investments totalling approx. US\$2bn in aggregate in 2019
