

Pia Heckenberger

Associate
Frankfurt

Biography

Pia Heckenberger advises clients on all aspects related to extensive and complex energy and infrastructure projects.

Her legal advice covers the entire life cycle of such major projects in national and international markets, with a focus on drafting and negotiating construction, supply and service agreements.

Pia studied law in Würzburg and Groningen and completed her traineeship in Würzburg, Frankfurt a.M. and London.

Before joining the firm as an associate, she had already been working with us as a trainee lawyer since 2018.
