PitchBook

Mahvesh Qureshi, M&A partner, head of our Corporate & Finance practice group for the Americas, and elected member of our Global Board, shares her thoughts on the current state of the private equity market as we close the book on 2023 and look ahead to 2024.

In her conversation with Madeline Shi at Pitchbook, Mahvesh discusses the pent-up demand for exits and what it means for bringing deals to market in early 2024. Also on her radar for the year ahead - the upcoming U.S. presidential election.
