Round-up: Indonesia is our new quarterly newsletter, rounding up all the latest legal updates and events in Jakarta.

In this edition we look at:

- How domicile letters are no longer required to open a business in Jakarta.
- The new enforcement guidelines introduced by the Supreme Court.
- The new KPPU competition law enforcement reforms.
- The new mandatory e-court filing requirement across Java and all major Indonesian cities.
- The new "super" tax allowance.
- A round-up of our recent events.
