

Jen Qosja

Associate

London

Biography

Jen is an associate in the Financial Services Regulatory practice with a focus on the UK and EU financial services law and regulation. Her clients include financial institutions, insurers, investment managers, FinTechs and financial market infrastructures.

Jen assists clients in navigating complex issues arising out of the changing regulatory landscape. Her work includes regulatory advice, multi-jurisdictional compliance reviews, outsourcing arrangements, investment management agreements and FCA applications.

Representative experience

Advising an overseas investment exchange on its establishment and regulatory recognition as an ROIE in the UK.

Assisting several financial institutions in ensuring compliance with EBA outsourcing guidelines and EIOPA cloud outsourcing guidelines.

Advising FMIs on the implications of the Central Securities Depository Regulation.
