

## Jessica Quinlan

Associate

Dubai

### Biography

Jessica is an associate in our Dispute Resolution practice, based in Dubai and working closely with the London office. Jessica acts for clients on complex cross-jurisdictional disputes in international arbitrations and in commercial litigation before the English High Court and DIFC Courts. She also has experience of forms of ADR, such as mediation and expert determination, and provides clients with pragmatic advice on how best to manage risk to avoid disputes. Jessica has a broad advisory practice covering a range of sectors, including the financial services, aviation, automotive, technology, construction and energy industries.

### Representative experience

Advising a ride-hailing app-based company on its potential liability under various proposed contractual models.

Acting for a global industrial materials manufacturer in various English Commercial Court proceedings concerning shipping agreements.

Acting for a UAE-based low-cost airline in an LCIA arbitration worth US\$102m against its MRO provider.

Advising an air ambulance charity on a contractual dispute with its aviation services provider.

Advising a global engineering company on its commercial strategy for mitigating litigation risk arising from the worldwide semiconductor shortage.\*
