

Simon Recher

Senior Associate

Luxembourg

Biography

Simon Recher assists investment professionals with structuring and establishing investment vehicles either in regulated or unregulated form investing in various types of assets. He also advise his clients on all regulatory aspects in relation to the day-to-day management and operations of these funds.

His previous in-house position at a global asset manager in Luxembourg allows him to see legal aspects surrounding investment vehicles from various angles and makes his advice client-oriented.

Furthermore, Simon is also a member of the Hogan Lovells Luxembourg regulatory team having a focus on financial institutions but also on more specifics areas (such as space mining or blockain related questions).

Accolades

"Pierre Reuter and Simon Recher have proven very astute in listening to and understanding client needs. They made themselves easily available, allowing a close relationship, including when it involved co-ordinating with one of their foreign offices."

Legal500 2021

"Simon Recher is highly responsive and a pleasure to work with."

Legal500 2023

The team "has the upsides of a big law firm (reputation, network, high standards) while also showing the

upsides of a small law firm
(dedication to the client, humility,
capacity to listen to the client's
needs and critics)."

Legal500 2021

"The team is highly impressive and
provides a high quality of service.
We also get this feedback from our
underlying clients."
