

## Jade Rigby

Associate

London

### Biography

Jade trained at Hogan Lovells and joined the team in 2019. Jade advises trustees and employers of both occupational defined benefit and defined contribution pension schemes on a range of pension law issues.

### Representative experience

Negotiating services agreements with new administration service providers on behalf of trustees.

Providing advice on member queries relating to the application of life annuity funds.

Drafting and updating pension scheme documentation in line with scheme-specific amendments and developments in legislation.

Coordinating projects to update trustees' data protection arrangements with third party contractors in line with GDPR.
