

Karina Syahril Antonio

Senior Associate

Jakarta

Biography

From her 20 years as a lawyer in Indonesia, Karina has experience in a number of different industry sectors including real estate, energy and natural resources, infrastructure and employment matters.

Karina is experienced in acquisitions, joint ventures, shareholder agreements and strategic business alliances and due diligence investigations. She has advised major clients (including state owned companies) on a variety of matters and managed relationships with government authorities such as the Indonesian Investment Coordinating Board (BKPM) in obtaining licences and approvals. Real estate development and infrastructure, energy, resources and projects are sectors that Karina has been focusing on, and has assisted clients in land acquisition and land mortgage, including due diligence, renewable energy, and construction.
