

Thiemo Woertge, Dipl.- Volkswirt

Counsel

Berlin

Munich

Biography

Thiemo Woertge advises venture capital and private equity investors, corporate VCs, start-ups, scale-ups and other private capital backed companies as well as founder teams on transactions across the entire private capital funding cycle. His expertise ranges from early-stage investments, venture capital and growth equity financing to exit transactions, in particular with the participation of private equity investors. He also advises on a variety of related topics such as management and employee stock ownership plans (ESOPs), hurdle shares and VSOPs.

Thiemo has particular experience in the technology, e-commerce and FinTech sectors as well as in transactions relating to intellectual property rights. At the beginning of his career at Hogan Lovells, Thiemo worked in the patent law practice group for almost two years.

Alongside his legal education, Thiemo obtained a diploma in economics from the University of Heidelberg, focusing on law and economics, in particular company law, corporate finance and accounting. Before joining Hogan Lovells as an associate, he worked for international law firms in Berlin, Brussels and London. He focused on commercial and corporate law during his second state exam in law.
