

Wouter Van Beek

Consultant
Amsterdam

Biography

Wouter van Beek is a member of the Global Regulatory Life Sciences team. He provides clients with advice on the regulatory aspects of pharmaceuticals, medical devices and tobacco and related products.

Wouter is also active as guest lecturer medical devices law at the University of Groningen. His students study for a master's degree in biomedical engineering.

In 2019, Wouter graduated from the University of Groningen where he obtained an LL.M. in both Law and IT and Legal Research (cum laude). He wrote his thesis on the implications of the European Medical Devices Regulation on health apps.
