

Lucy Ward

Consultant

London

Biography

Having worked with the firm for over 20 years, Lucy Ward's career began as an insurance and reinsurance lawyer and subsequently concentrated on product liability litigation and product regulatory compliance. She is a senior lawyer in the Hogan Lovells Global Products team.

Her clients include medical device manufacturers, tech and telecom companies, brewers and tobacco manufacturers.

She helped to set up the firm's Science Unit recruiting its first scientists and promoting their role to clients.

Representative experience

Advising FMCG clients drafting representations to UK Government bodies and organisations like the WHO.

Managing large litigation projects for a range of manufacturing clients including those facing litigation in multiple jurisdictions.

Advising clients on pre-launch testing and compliance requirements across a range of global markets.

Product safety management protocols and policies undertaking audits and stress testing existing company procedures.

Extensive knowledge of complex document discovery and records management advising global service and manufacturing companies.
