

Jasmine Wilson

Associate

London

Biography

Jasmine has experience working on capital raisings by private and listed funds and corporate clients, as well as on acquisitions and reorganisations. Her work includes advising institutional investors on the terms of their prospective investments and assisting with commercial, operational and regulatory matters.

Representative experience

Advising Pantheon Infrastructure PLC on its £400m IPO and admission to the Main Market in November 2021.

Acting for M&G Real Estate in relation to a number of indirect real estate acquisitions, including the establishment and reorganisation of related joint ventures, management and holding structures.

Advising a number of institutional investors on their investments in real estate, private equity, venture capital, UCITS and hedge funds.
