

Alexander C. Woo

Senior Associate
Washington, D.C.

Biography

Alex assists clients from various industry sectors on the full spectrum of environmental issues, including regulatory and compliance, administrative enforcement actions, litigation and transactional matters.

In his practice, Alex represents regulated entities in administrative enforcement actions and litigation brought under environmental statutes, including the Clean Air Act and the Toxic Substances Control Act. Alex also counsels clients on navigating complex compliance issues related to the full suite of federal environmental and natural resource laws.

He has prepared comments on behalf of clients for federal rulemakings before various government agencies, such as the Environmental Protection Agency, the Federal Energy Regulatory Commission, and the Securities and Exchange Commission. Alex has also represented clients in litigation challenging federally promulgated rules under the CAA.

During law school, Alex was a judicial intern for the Honorable David J. Novak of the United States District Court for the Eastern District of Virginia.

Representative experience

Represent client in administrative enforcement action and subsequent litigation brought under TSCA.

Represented electric utility in litigation challenging Title V permit in U.S. Court of Appeals for Eighth Circuit.
