

Yannic Venus

Senior Associate

Hamburg

Biography

Yannic Venus primarily advises on national and international M&A transactions in regulated industries. He focuses on complex transactions in the renewable and traditional energy sectors, including structuring joint ventures.

Yannic works with diverse clients, including large corporations, family-owned businesses, public sector companies, and family offices on transactional and corporate law-related issues.

Yannic's commitment to efficient processes and his ability to translate his legal knowledge into suitable commercial solutions are appreciated by his clients who value his dedication and competence.
